## Vermeer 504R Signature Baler

### **:30 Second Radio:**

What's the signature of success in the hay and forage industry?

A bale rolled with a Vermeer 504R Signature baler.

Designed for convenience, ease of use and durability — the workingman now has a baler for any operation.

Let your baler help you put up the best bales in town with durable components, an aggressive rotor and a camless wide pickup that features fewer moving parts than ever before.

And enjoy the peace of mind with a 3-year pickup warranty.

The 504R Signature baler is truly one of a kind.
