## Vermeer Confidence Plus® Program

:30 Second Radio:

Voiceover Talent: Female voice / perhaps southern accent

(SFX: A SOFT SWISH AND THUMP)

VO: Mmm. Hear that? It's a used baler that works just as good as new and is backed by parts and labor for major components AND support from the knowledgeable, experienced Vermeer dealer network.

Sounds too good to be used, right?

A baler backed by the Vermeer Confidence Plus® program is subject to a detailed inspection by a Vermeer technician – helping protect the value of your equipment while providing you with peace of mind.
