Vermeer 504R Classic Baler

:30 Second Radio:

Part-time operators in search of a full-time baler need to look no further.

The Vermeer 504R Classic baler makes baling easy.

The wide pickup and optional bale shape sensors maximize productivity.

And with minimal setup and adjustments required, you'll spend more time baling and less time tinkering.

With a low 50 horsepower recommended pto, the 504R Classic is a good fit for just about any operation.

And considering the price and a Vermeer 3-year pickup warranty, it's an even better fit for your budget.

Come see us today at _____ DEALERSHIP _____, in _____ TOWN _____ and ask about the 504R Classic baler.

It's the real deal.
