

Vermeer® Rebel® Trailed Mower Radio Script

:60 Second Radio – Rebel® Trailed Mower

Looking for a simple “hitch ‘n go” system that lets you cut, dry, rake and bale your own hay? With just a 55hp tractor? Welcome to Vermeer Rebel Country, where you can do it all, with your own tools, on your own schedule, even on a tight-fisted budget. Take the Vermeer Rebel Series Trailed Mowers, for example. This is the Rebel Trailed Mower everyone’s talking about. Simple to operate. Easy to maintain. Hooks up in seconds without the hassles of a 3-point mount. It has the proven reliability and performance of a low-profile disc-style mower. And all it takes is a 55 horsepower tractor to run it. Interested? Check one out at _____ in _____. They have them in eight and ten-and-a-half foot cutting widths. Remember, stop by _____ and take a closer look. The Vermeer Rebel Trailed Mower. You might say “it’s as easy as the drop of a pin.”
